

# The Promises of God

**Ecclesiastes 3:1** *“There is a time for everything & a season for every activity under heaven.”* We need to understand the times and seasons we are in, in relation to the Word of God.

### **2014 Prophecy:**

*“WOI ministries are coming into a season of accelerated growth and harvest, which will not only be in fields where you are presently sowing, but will also be in fields you have not yet sown into. Things are about to speed up. Don’t allow limited resources to hinder your dream of what can be, for resources (of manpower & finance) will align to the vision.”*

**Another prophetic word early 2015:**

*"I declare this is a season of accelerated salvation coming to many! I believe the fields are ripe for harvest! I believe many people who we have prayed for will come into a wonderful, vibrant relationship with God this year! The sower and the reaper may be glad together, there will not be a long delay between seeds sown and fruit being harvested; they will rejoice **together!**"*

***Ecclesiastes 11:8 “whoever watches the wind will not plant, whoever watches the clouds will not reap,”***

**We are destined to have new fields of opportunities open up to us, with new resources of both manpower and finances coming available.**

**Season Ahead Of Breakthroughs / New Opportunities – ie ministry / careers.**

**2 Chronicles 20:1-30**

**V15** *“...do not be afraid or discouraged because of this vast army. **For the battle is not yours, but Gods.**”*

**V20** *“...Have faith (**believe – ‘aman’**) in the Lord your God & you will be upheld; have faith (**believe**) in his prophets & you will be successful.”*

‘aman’ is what Abraham did in believing God, His character, integrity, promises.

**V17** *“You will not need to fight in this battle. Position yourselves, stand still and see the salvation of the Lord who is with you...”*

**Fasting v3** – was one of the keys to releasing the deliverance Judah experienced.

**Prayer v4-12** v12 gives essence of this prayer of helplessness...

**Praise v22-23** As they began to sing & praise God with an expectancy that the Lord would fight for them, their enemies were defeated. **Joshua 6: 10 & 20** = parallels.

**Psalm 22:3** Praise enthrones God in our circumstance,

**Isaiah 54:1-5** *“Sing, O barren woman...”* Israel (likened to a barren woman) in captivity & told to prepare for change & expansion.

**V1** they were told to break-forth into singing, even in their present state.

# God moved – out of the barren womb of Sarah came *Issac* = laughter

# God moved again – out of the barren womb of Hannah came *Samuel* who brought the Word of God to Israel

# God moved again – out of the barren womb of Menoah’s wife came  
***Samson*** = strong deliver

# God moved once more – out of the barren womb of Elizabeth came  
***John the Baptist*** preaching repentance, Baptism, Coming of the Messiah

**Psalm 47:1** Shout unto God with a voice of triumph (KJV)

**New Season is before us in WOI**, in missions, a season whereby yet unfulfilled promises will be realized; new growth, new fields, new opportunities, new resources – manpower & finances. God is doing new things! Breakthroughs even in places that were once barren, and spiritually resistant to God’s Word. May there come...

***An Issac breakthrough*** – where such great joy will draw multitudes back to God

***A Samuel breakthrough*** – where the uncompromising Word of God will be preached reaping a great harvest

***A Samson breakthrough*** – that will see the Body of Christ move in even greater signs & wonders bringing deliverance to multitudes who are in bondage

***A John the Baptist breakthrough*** – where true and genuine repentance, Spirit-filled living and the soon return of Jesus Christ is preached causing excitement, anticipation and a harvest for the Kingdom of God.

**Amos 9:13** *“The days are coming declares the Lord, when the reaper will be overtaken by the plowman (sower) and the planter by the one treading grapes...”*

**Matthew 9:37-38** *“...The harvest is plentiful but the workers are few. Ask the Lord of the harvest therefore, to send out workers into His harvest field.”*

It's Harvest Time! At the same time **the focus should not only be toward an actual harvest, but also the harvest force**
